

TO Whom it may Concern

My husband and I were

Netflix Customers and  
we were over charged my debit  
Card was charged almost \$40.00  
when it was suppose to be 7.00  
And then Walmart, walgreen and  
every one started to send me  
Savings email's because of them.

So yes I want them  
to be sued. and  
I will stay in the class action
